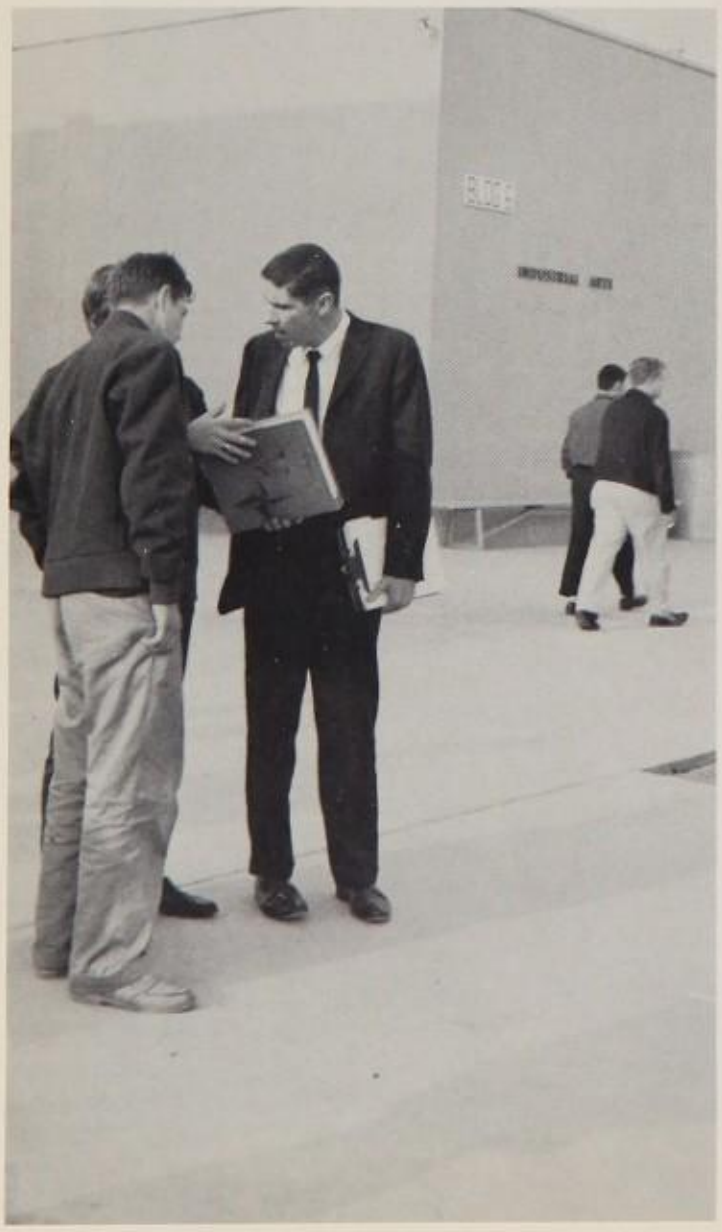
DEDICATION



We, the students of Lawndale High School, dedicate this year book to our teachers. The devotion and guidance which they have given us have made this school year a progressive and memorable one.

Our teachers, just as we do, go to school, take courses, and worry about tests. They attend our games, cheer for our team, and laugh at our jokes. They anger at injustices, and are happy for us when we succeed.

All of this, and more, they do to help us receive a well rounded education and a better understanding of life.

Therefore, we want to show our appreciation by dedicating this 1961 Tiros to a devoted and persuasive group, our teachers.

Good Luck Larry
throughout your next
3 years of Highschool

A. JOHN WALDMAN
Principal

As we near the close of our second year as a new high school, students and faculty alike may look back with pride at our many accomplishments. Lawndale High School, with the assistance of a vitally interested and dedicated faculty and an equally dedicated and interested student body, has made great strides in its growth toward a mature school.

We are certain, however, that not a single member of the Cardinal "family" is now, nor will be, completely satisfied with past accomplishments. It is with the true "Cardinal" spirit that we will move forward, with each one in his own way exerting every effort to make our's the very finest and highly respected school.

With the above as our goal, all of us may look forward to the future with confidence and pride.

The Enforcement Commission is a unique organization composed of thirty students who have been approved by the House of Representatives and the Senate. It is a new group, initiated this year. Its members patrol the school grounds. When they spot a violator of the student body laws, they issue a summons and bring that person before the Commissioner of Justice. Here he is given the choice of either taking the maximum number of demerits for that offence, or taking his case to a student court. If he is dissatisfied with the verdict, he may take it to the supreme court of the school. Thus, through the Enforcement Commission, the students themselves are responsible for the well-being of our school and take an active part in maintaining and upholding our good reputation.

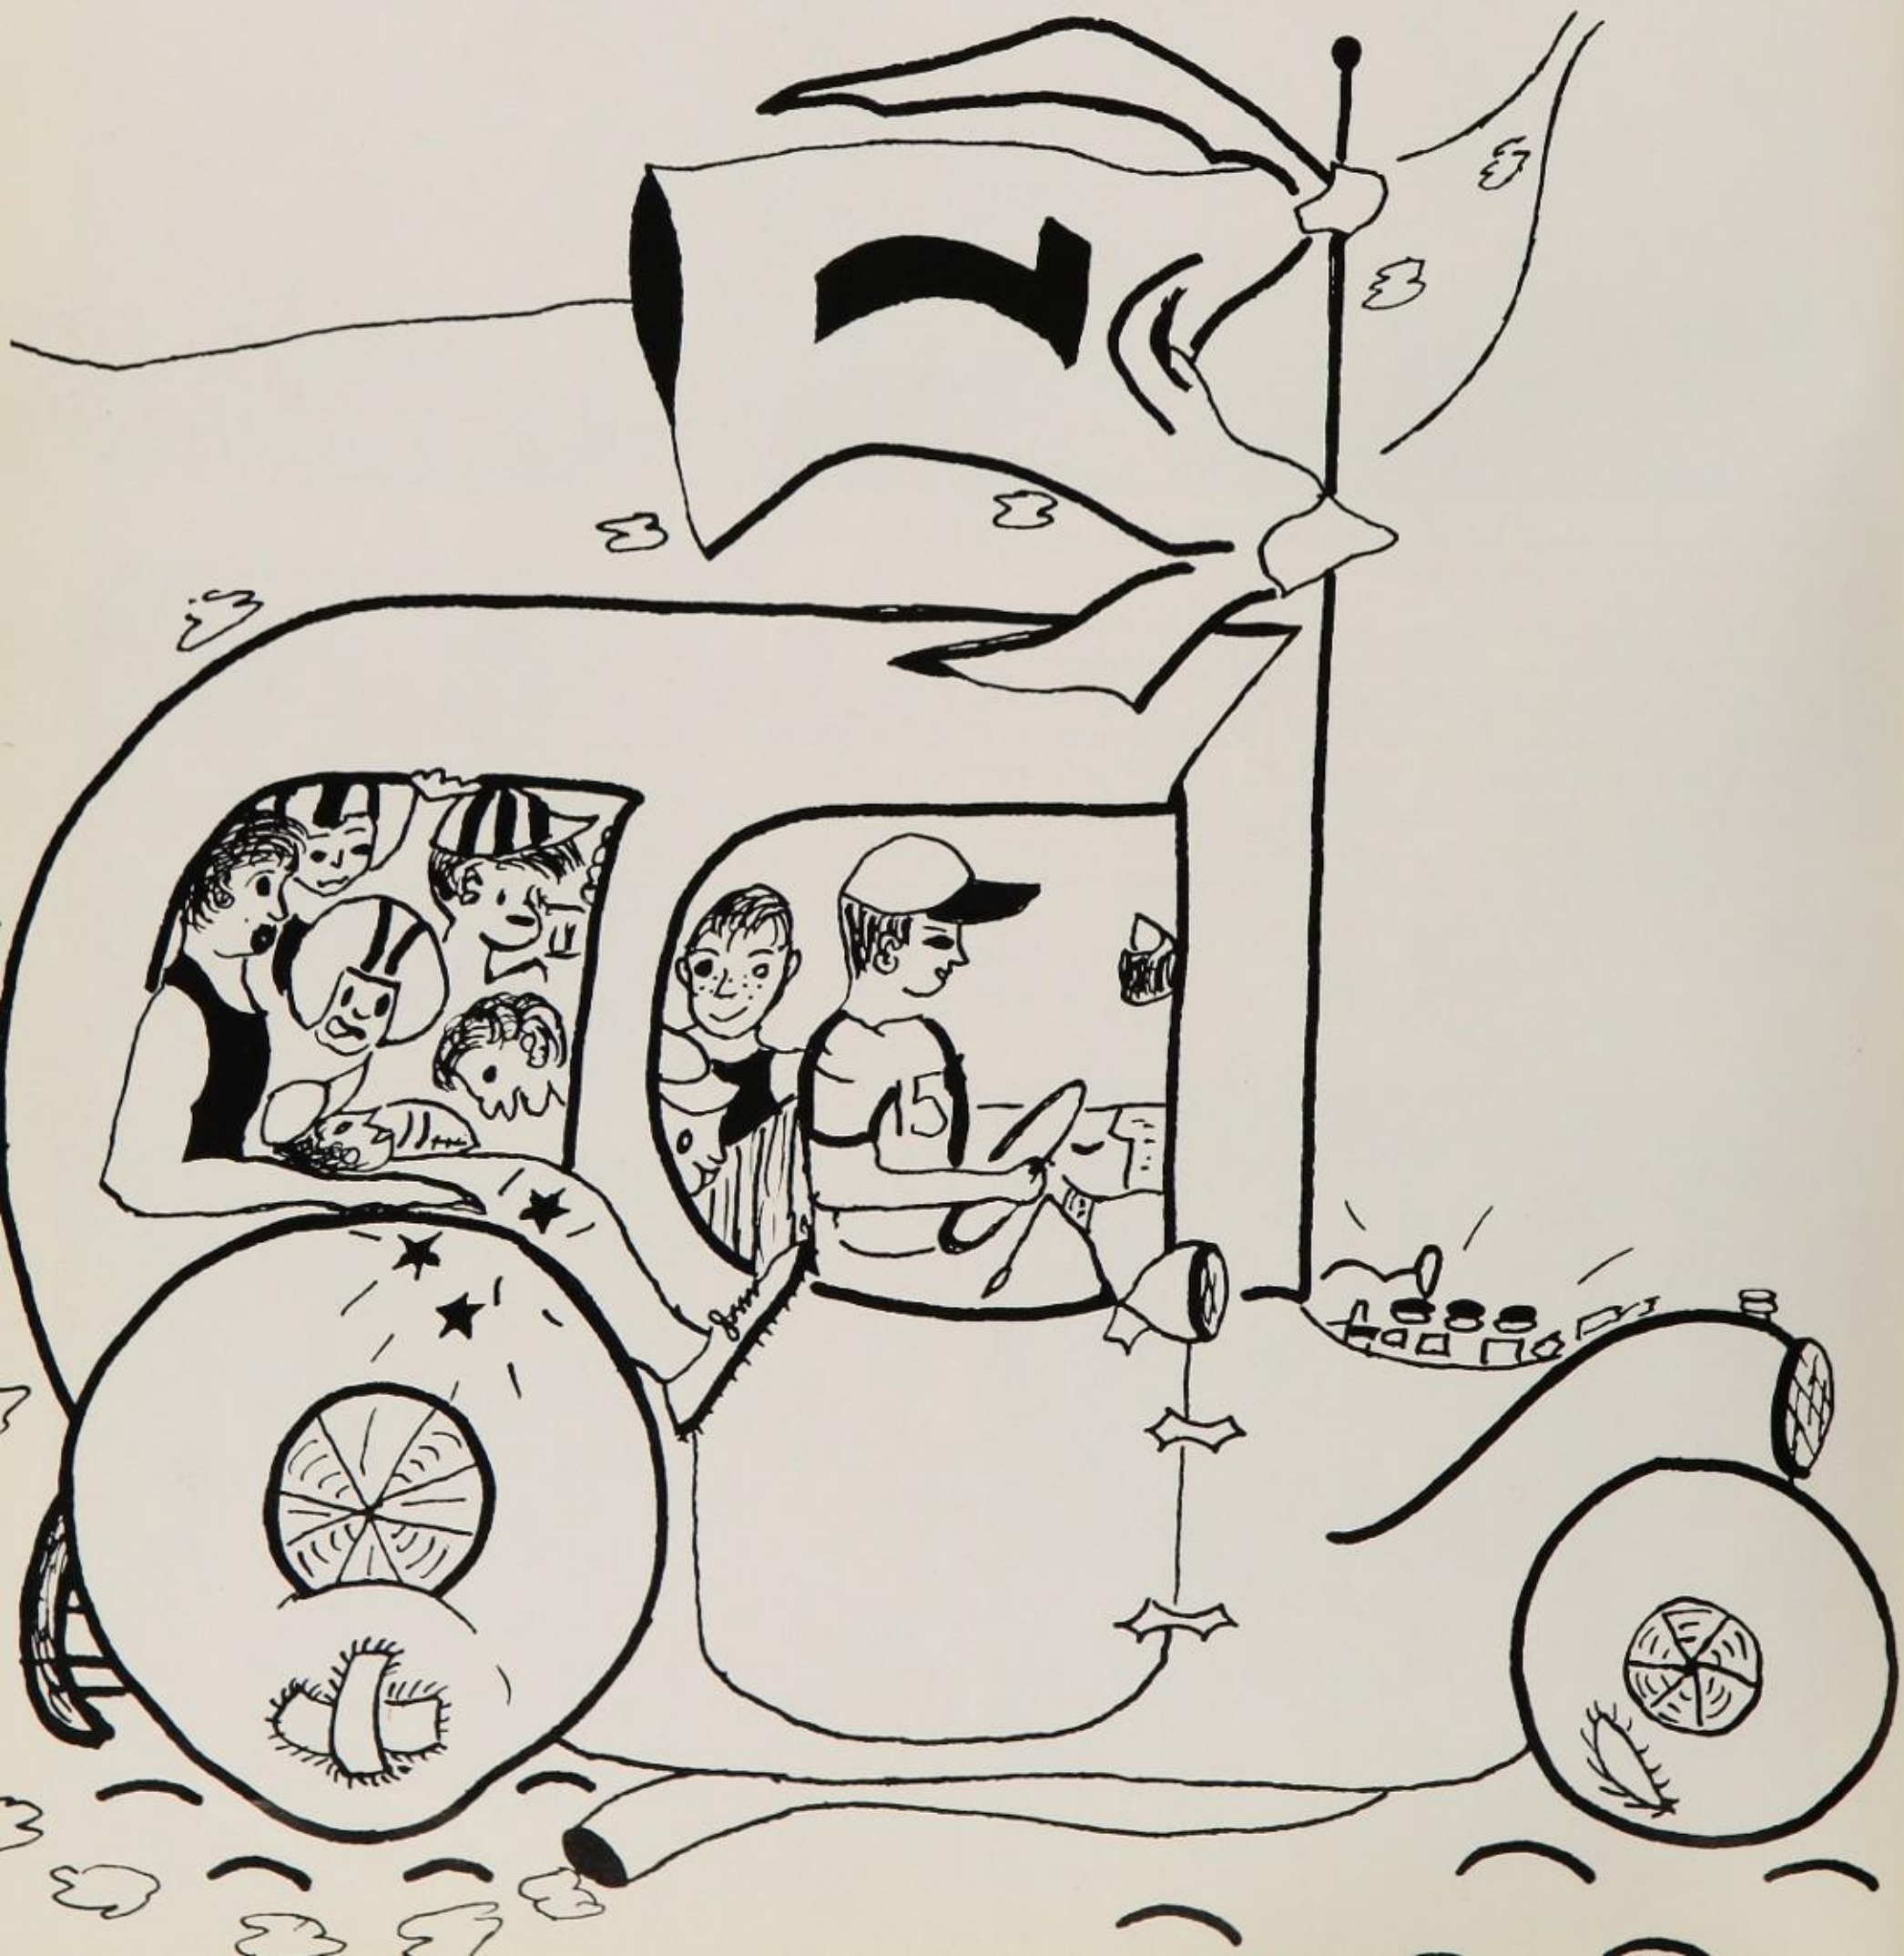
MEMORIES ARE MADE OF THIS

Mary Rodriguez, Cindy Travers, Sylvia Hicks, Georgiann Messner, Pat Newton, Vickie Pellegrino, Wanda Davis.

The Christmas Dance was one of the most beautiful of the many activities during this school year. Reigning Georgiann Messner, Miss Christmas Carol for 1960, and the six lovely Princesses: Sylvia Hicks, Cindy Travers, Wanda Davis, Mary Rodriguez, Pat Newton, and Vickie Pellegrino. The pastel colors of the girls' evening gowns were complemented by their escorts' dinner jackets!

In keeping with the spirit of Christmas, the gym was decorated with colored lights, pine cones, and boughs. Hawthorne High's Dance band added much to the evening's enjoyment with their very danceable music. This night will always be remembered for its soft lights, dreamy melodies and exciting moments—Yes, Memories Are Made Of This.

HOD ROD LINCOLN



School spirit—we are all working for this. Our yell leaders, song queens, and majorettes are all working even harder for school spirit. Many of you that were out to any or all of Lawndale High's football games know what a good job our pep squad did. Along with practicing day and night, their home work had to be done well because these girls must also have good grades. They are all setting examples for school spirit.

Practice and hard work are the necessary requirements for excellent yell leaders, song queens, and majorettes — the symbols of school spirit.

VARSITY IN ACTION

Glenn Howell receives pass from Ralph Hughes.

Bob Gabsa moves in to tackle an Eagle.

The first Varsity football season at Lawndale was very promising. Coach Braunbeck said that team spirit was very high all year long. The boys never quit fighting. This was a really improved ball club from last year's J.V. squad.

Three boys from the team were honored for their services. Bill Felix was selected for the first string all Pioneer League tackle and honorable mention on the all Centinela Valley team. Rodney Thais made second string all Centinela Valley, and Barney Nott made honorable mention all Centinela Valley.

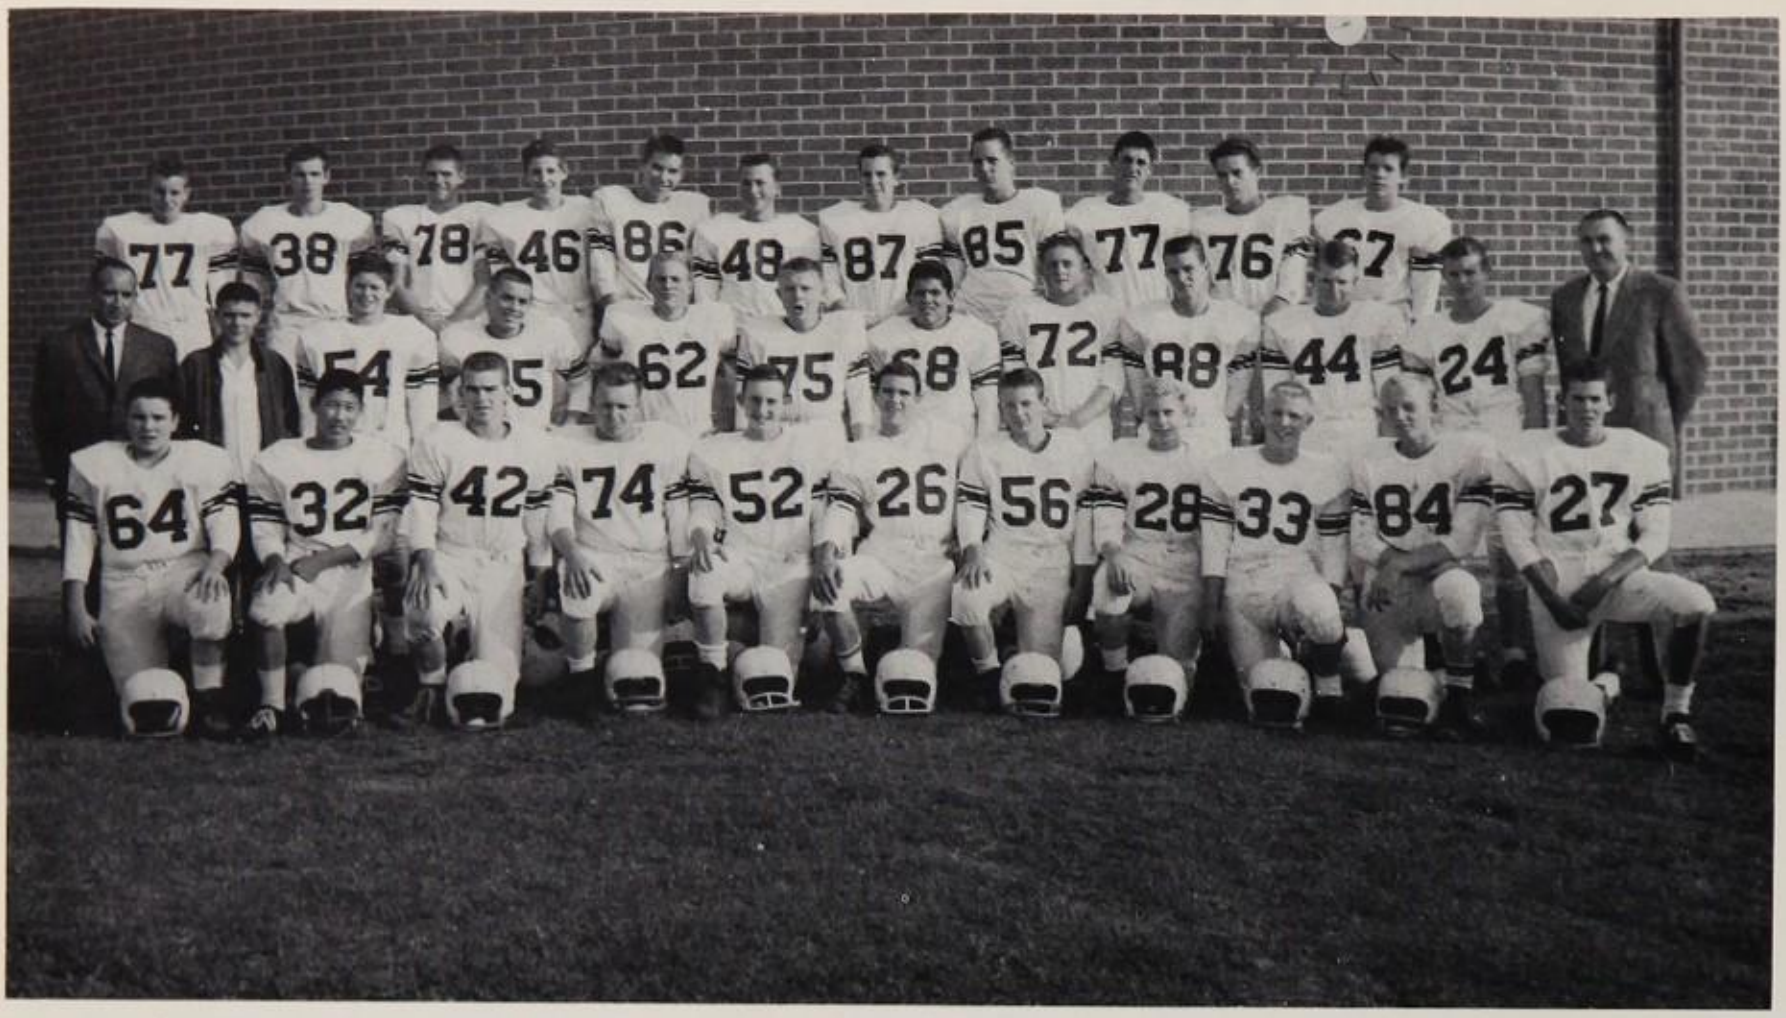
The varsity lettermen are as follows: Lucino Aleman, Dick Acosta, Jerry Baker, Richard Brock, Bill Felix, Bob Gabsa, Orlan Gann, Richard Gravel, David Hedge, Glen Howell, Ralph Hughes, Bill Humphries, Lee Lindsay, Chuck Magri, Barney Nott, Gary Obbards, Gary Paulsen, Dan Petrick, Bill Qualls, Bob Schroeder and Rodney Thais.

Next year these boys hope to be contenders for the Pioneer League title.

Lucino Aleman ready for kill as ball is lost.

Rodney Thais sweeps end for large gain.

BEE FOOTBALL



FIRST ROW: T. Farnam, R. Ono, F. Meyer, J. Foote, J. Mortlock, R. Heath, L. Henderson, B. Barrett, P. Sigler, R. Johnson, J. Evans. SECOND ROW: Mr. DeMaggio P. Litty (Manager), B. Bennett, R. Smith, T. Greenup, J. Jenkins, R. Marquez, S. Hamlin, G. Dirickson, T. Dozier, L. Shellum, Mr. White. THIRD ROW: D. Sisco, L. Haley, B. Page, D. Clements, J. Lloyd, B. Sphor, C. Nichols, D. Johnson J. Litty M. Banner, P. Neal.

The "B" football team played very well all season long. They never had a quitting attitude, but stayed in there and fought all of the way.

They had a close game with St. Bernards to open the season. The game was settled by six points. This was a very fine start to a good season.

The B's beat the Monarchs from Morningside. This was a Lawndale landslide, for the game was all ours in a 21-0 swamp. They also played a very close game with Beverly Hills. This was a hard fought game to the end. The difference was a mere five points.

Mr. White and Mr. DeMaggio agree that the boys showed a great desire to win all season. With this kind of fight, the boys should do a very fine job next year for Lawndale High School.

CROSS COUNTRY

FIRST ROW: D. Walden, C. Price, L. Longaker, Mr. Carrillo. SECOND ROW: G. Lindert, E. Zelenka, J. Smith, E. Pereyra. THIRD ROW: S. McKinney, P. Munday.

The Lawndale Wrestling team finished its first season fifth in Pioneer League. Six members of their team won medals in the Pioneer L eague finals. Presiado finished fourth as did Sisco and Gabsa. Thais finished third and Whitmill and Felix finished second.

The wrestling team had six meets and two tournaments. In the Novice Tournament, Lawndale placed second behind Aviation.

The three varsity lettermen were Sisco, Presiado and Felix.

The Cross Country team also showed a real desire to win and never gave up. The team spirit was always high. We expect a good season from them next year. We are sure we will get it, too!

VARSITY BASKETBALL

FIRST ROW: C. Martin, C. Anderson, B. Nott, J. Snavely, J. Lambert, S. Dequer, S. Eakin, MANAGER. SECOND ROW: L. Lindsey, J. Junior, B. Qualls, L. Mangini, C. Higgins, M. Graham, G. Evans, Mr. Findley, COACH.

The first varsity basketball team at Lawndale was "very representative" in the words of Mr. Findley, their coach. Most of the boys on the varsity team played ball with the junior varsity team last year. Three new boys to varsity or junior varsity basketball gained positions on the team. Two of the boys, Jerry Snavely center, and Lee Lindsay forward, are new to Lawndale High School. Jerry seemed to lead the team in most departments. He led them in points (239) and average points per game (11.5). He was second in times fouled out and first in total fouls. Ernie Burton was new to the team this year also. He played "B" all last year. The starting five for most of the games were forwards, Jim Lambert and Barney Nott; center, Jerry Snavely; guards, Ernie Burton and Craig Anderson. The team played a twenty game season. Twelve of these games were league games with: El Segundo, Lennox, Lorrance, Beverly Hills, Culver City, and Aviation.

Two close games were played with Lennox. The opening game went right down to the last few minutes. The next game wasn't decided until the last minute.

The team's spirit was always at a high pitch. All through the season the boys never gave up or quit fighting.

The six varsity lettermen were: Jim Lambert, Barney Nott, Jerry Snavely, Craig Anderson, Ernie Barton, and Steve De quer. Sam Eakin was a very efficient manager and lettered as such.

We hope the boys continue to improve and do a fine job next year.

G.A.A. is composed of a group of girls who enjoy sports. They have teams for tennis, volleyball, badminton, speed-away, archery, softball, basketball, swimming, and for those girls who like more creative expression, there is modern dance.

On special days during the year the best athletes from these teams compete with all the schools in The Pioneer League.

The volleyball playday was held on November 16th, individual sports on February 8th, swimming and modern dance on March 15th, basketball on April 12th, and softball on May 24th.

This year G.A.A. had a Family Night for the parents who joined with their daughters in sports events. The biggest night for G.A.A. was, however, the Mother-Daughter Banquet at which all those hard earned awards were given.

The main purpose of G.A.A. is to encourage sportsmanship and group spirit. It is a very rewarding experience for any girl.

Another first — Lawndale High's drill team is another first for the Cardinals here at Lawndale. These girls, 40 in number, marched at almost all the football games Lawndale played this season.

Their uniforms were designed by members of the drill team. These uniforms were a surprise to almost everyone.

The drill team marched not only at our football games but also at Lawndale's youth parade on April 29th, which was a new experience for the whole group.

Does 7:30 A.M. seem early in the morning? Do you thing you could march that early? Well, our drill team managed it. As the saying goes, "Practice makes perfect," and our drill team surely had the practice! You be the judge. Weren't they perfect?
